

Community Voices

Discussion Guide

LEARNING TOGETHER

ENGAGE and INSPIRE your group by sharing and discussing our [Community Voices](#) series. Select and review one of our stories of Coloradans working together, overcoming differences and driving positive change.

In addition to the video stories, our [Community Voices](#) site has links to written materials and a variety of resources related to each topic. To make the most of these materials, consider using the discussion guide below to help inspire action in your own organization or community.

BUILDING BRIDGES

DISCUSSION TOPICS & QUESTIONS

PRIOR TO VIEWING

What are some of the ways the subject of this video is important to our lives or our organization?

What do you know about this topic?

Have you ever had to work closely with someone you viewed as a rival? How did you handle that situation?

POST VIEWING

What new ideas or perspectives did you gain from this video?

What are some benefits of the approach outlined in this video? What are some risks or potential challenges?

How did the people in this video work together to build bridges, establish trust or solve a shared problem?

INSPIRING ACTION

SELF-REFLECTION AND MOVING FORWARD

What are some ways you/we can get involved in this issue in our community?

Could the approach shown in this video work with our organization or with similar challenges that we face?

What actions could each of us take based on what we learned from this video?
